

Post Conference Parent Reflections

Dear Parent(s),

Please write a letter to your son/daughter reflecting on the conference. Some items you may want to include are listed below. Please return this letter as soon as possible. Your child will be using your comments to make plans for the next grading period. Thank you once again for choosing to take an active role in your child's education and reaffirming for your child the importance of an education for the future.

- What did you notice?
- What made you feel proud?
- What would you like your child to work on?
- Keep up the good work on...
- We/I know that sometimes you have difficulty with... but...
- We are/I am glad to see that you are taking an active role in your education...
- We are/I am glad to see that you are making an extra effort in...
- Ways we/I can help you ...
